### **ABOUT US**

'Hamaari Sada Trust' was founded on 17th June 2016 exempt under section 11 to 13 of the Income Tax Act, 1961.

Hamaari Sada Trust was set up by a group of young and enthusiastic professionals mainly from media & industry who follow the philosophy to engage and empower the marginalized section of society. The Trust was founded to bring changes in the lives of vulnerable masses. Initially, Trust aimed to work with those school dropouts who were unable to continue their education due to financial problems in the family.

The organization was constituted with a vision to bring up a society that consists of educated and self-dependent people thereby giving equal rights and privileges to as many as possible.

The establishment, at that time, being a 'new kid on the block', had limited resources. It was towards the realization of the goal of the organisation that we saw needs of families in the societies so decided joined hands with another hand to welfare society.

Hamaari Sada Trust planned from the beginning day to start with an education & awareness program for children and society so HST initiated two projects of its own with the help of a few friends from media and some selfless volunteers. We began with Project 'Shiksha' and 'Fit' in Madanpur Khadar New Delhi and slowly extended the reach to a few more villages in Uttar Pradesh.

#### **Our Vision**

Vision of the Trust is to restore the lives of children, women and other vulnerable sections through necessary interventions. Trust visualizes a society in which Education and Health facilities are accessible to every individual.

#### **Mission**

Establish, maintain and carry out humanitarian activities for improving the quality of life of the neglected people.

The focus areas of the work being done at **Hamaari Sada Trust** are very clear. HST is an endeavour:

- to create self-sustaining employment opportunities for the women and youth
- to promote and encourage the education, welfare, empowerment and the uplift of women and children
- to create a sense of brotherhood, cooperation, mutual harmony amongst the general public
- to undertake the research and analysis project related to women and youth issues
- to work in the field of mediamaking films, documentaries, programmes, etc
- to promote the various causes which HST and other organisations are working for

The organisation is not just about spending time and money to reach out to those who need our support, what matters is the involvement and the bond that builds up. Spending time with those who need us and providing resources to the needy is all we aim for. If, by this effort, we become a part of the positive change in someone's life, it would be worth doing it

#### **PROJECTS**

#### 1-Auj-e-Falak Shiksha Centre

Hamaari Sada Trust has started an Shiksha center by the name of 'Auje Falak Shiksha Centre'. This education center has been opened in Madanpur Khadar JJ Colony of Delhi. #### 2-PROJECT 'Shiksha'

"Shiksha" is the Trust's inaugural project which aims to provide education to school dropouts and children belonging to low socio-economic backgrounds through remedial education. Trust also efforts to enroll neglected children in school and try to provide required assistance to save their childhood. Trust follows the holistic approach to educating children which includes awareness, counseling, and providing necessary items like stationary and financial support to those who cannot afford school expenses, the project was expanded to the rural area of Varanasi, Village Kathiraon, Post Office Kathiraon, Uttar Pradesh.

- 1- Non Formal Education: Children in the age group of 4-10 years were encouraged to attend our NFE classes. Trust's objective was to generate their interest in education, prepare them for mainstreaming in regular schools. In NFE, total of 22 children were enrolled and were provided with books, stationary and other necessary item.
- 2- Remedial classes: The Trust enrolled a total of 40 children in the age group of 10-16 years with the aim of filling the gapes in their knowledge and building up their skills in reading, writing and mathematics. After completion of their association with the trust, they were successfully been able enhance their skills and knowledge as per their standard.
- 3- Sensitization of Parents: Along with the children, parents were also covered to encourage them to support their children and to let them study. They were sensitized about the importance of education and what role they can play in their children's education.

#### 4- Summer Camp

#### 3-PROJECT 'FIT'

'Project fit' is another initiative of the Trust to cover healthcare among children, women, and other vulnerable groups. Trust believes that healthcare intervention is much required to improve the quality of life of the neglected individuals in the society.

The situation in Rural and Urban areas is more or less same, Juggling hard between the various household and outdoor responsibilities, women in our houses fail miserably to take care of themselves, and children especially belonging to low socio-economic background are prone to health problems because of less awareness in the family and inaccessibility of the healthcare facilities

#### **Activities carried out**

**Health and Nutrition:** The resource-persons for the sessions were invited from Hospital to discuss the kind of food we need to eat for healthy body, they were informed to eat health and home cooked food like green vegetables, fruits and food that is cooked in the house. It was also taught to refrain from eating roadside food as it makes us prone to several diseases.

Hygiene and Sanitization: 2 Sessions with children on Hygiene and sanitization were conducted by the internal staff of HS. The importance of the clean body and places we live in like house, school were discussed and Children were taught to clean their body by taking regular bath, brushing, hand wash and by wearing neat and tidy cloths.

#### 4-PROJECT 'Livelihood'

Hamaari Sada Trust livelihood projects aim to assist communities and individuals to rely on themselves through small entrepreneurial projects, including small shops/vending, animal husbandry, motorcycles (for transport), E-rickshaws, or other relevant livelihood schemes. Such assistance facilitates income generation and promotes a culture of self-reliance.

Hamaari Sada Trust facilitates a motorcycle (Splendor Xtec blue-black top model) to a beneficiary under the livelihood project "Build The Future"

#### **PROJECTS**

#### 5-PROJECT 'Relief'

The project aims to provide relief to the affected individuals from any form of disaster, or calamity and to people in need of financial help for their emergency situations. The project relief was started in February 2020. In the current year, #Eidkit is distributed to 50 families.

#### OTHER ACTIVITIES

## Cultural & Heritage and Important Days celebration

Trust strongly believes in and celebrates diversity as a way of affirming and respecting different cultures. Thus, the Trust encouraged different day celebrations in all the HST centers. As part of the Indian cultural diversity celebration, the trust organized various events on Independence Day, Hindi Diwas, Gandhi Jayanti, and National Girl Child Day.

More than 40 children participated in each event, they needed an outlet like this for them to gain confidence in themselves which in turn would encourage them to perform better in academics as well. This opens a window for creativity among children and helps them think differently.

On the occasion of Independence Day celebrations, an innovative art contest was organised by Hamaari SadaTrust with Freedom theme on fighters, India's geographical India's beauty, culture, monuments, and festivals. The top three winners will get the Trophy and cash prize of R.s. 500, R.s 300, and R.s 200 for the first, second, and third winners respectively.
